PROFESSIONAL PLANNING/ ENGINEERING CONSULTANT

Subject: Request for Proposal - Professional Planning and Engineering Services
Sheldon/ Wilton Limited Access Roadway Alternative

Dear Transportation Professional:

The Capital Southeast Connector JPA invites your firm to submit a proposal to provide professional planning and engineering services (need not be from the same firm) for the Sheldon/Wilton Limited Access Roadway Alternative (LAR). This study concentrates on the Sheldon/ Wilton area of the Connector project. A primary objective of the study is **to include the community** in the development for the implementation of the LAR Alternative. The second objective is to develop an alternate local circulation plan that will both provide access to the businesses and residences impacted by the LAR.

Your proposal should conform to the requirements of the Request for Proposal (RFP). In order to be considered, please submit ten copies of your proposal for this project to our office no later than **2:30 p.m. on Thursday, February 4, 2010**. The proposal submitted in response to this RFP will be used as a basis for evaluation and firm selection. For the complete RFP, please go to the JPA website <http://connectorjpa.net/> to download the RFP or call our office for a hard copy to be sent to you: Heather Yee at 916-876-9092.

If you have any questions or need additional information, please contact Tom Zlotkowski at (916) 876-9095.

Sincerely,

Tom Zlotkowski
Executive Director
Connector JPA
